Presented By: Councillor Wright, Division 4
Seconded By: Councillor Boehlke, Division 5

This notice of motion is read into the Council record on **April 11, 2023**. The motion as read into the record will be debated on **April 25, 2023**.

TITLE: Amendments to Policy C-327 – Circulation And Notification Standards

WHEREAS Policy C-327 speaks to “ensuring equitable circulation and notification processes that inform affected landowners and provide the opportunity for landowners to participate in the development of the County.”

AND WHEREAS It is increasingly evident that the current process and multi-tiered approach has deficiencies, and the County is failing to reach affected community stakeholders effectively;

AND WHEREAS The different circulation and notification criteria in the current policy can lead to stakeholder and Administrative confusion;

AND WHEREAS This Council's Strategic Plan speaks to the strategic theme of service excellence and the strategic objective to enhance transparency and communication;

THEREFORE BE IT RESOLVED THAT Administration be directed to amend the Circulation and Notification Policy C-327 to provide a standardized circulation and notification radii of 1600m (1 mile) for all application types outside of hamlets and 800m (½ mile) within hamlets.
