<b><i>School Authority</i></b>	
Calgary Catholic School District	No comments.
Catholic Francophone Education	No comments.
<b><i>Province of Alberta</i></b>	
Alberta Transportation and Economic Corridors	<p>Given the information provided, proposed closure does not appear to adversely affect physical or legal access to any properties in the vicinity and access is available via other constructed municipal roads. From Transportation and Economic Corridors' point of view, we have no objections/concerns with the road closure as proposed.</p> <p>Following public hearing, the municipality should make a digital submission through RPATH (Road Closure Approvals) to send all original and supporting documents by mail or courier to Head Office in Edmonton for final processing and endorsement. <a href="https://www.alberta.ca/road-closures">https://www.alberta.ca/road-closures</a> for more information.</p>
Alberta Forestry and Parks, Lands Division	<p>No concerns with the proposed road closure, however, please be aware that as this is within the White Zone, the Crown in Right of Alberta holds rights to the timber on the surveyed road allowance. Should the road closure be approved for consolidation with the adjacent land parcels, compensation for the timber to the Crown will be required.</p>
<b><i>Public Utility</i></b>	
ATCO Transmission	No objections.
