Presenting to the Public Presentation Committee

The members of the Public Presentation Committee are County Councillors, but the meetings are not Council meetings, and Council decisions are not made.

Meetings are held to receive information and share your vision with the Committee and not to ask for advice on what should be done on a specific property.

If you would like to bring a matter to the Committee's attention, that does not require a decision of Council, you can apply to make a presentation to the Committee.

Examples of presentations that the Public can present to the Committee include:

- Developers and/or landowners can submit their vision for a future project that will not require a Council decision;
- not-for-profit organizations about their work in the community, or about recognition for special volunteers;
- post-secondary institutions or research groups about studies or surveys that might interest the County;
- resident or community groups about future plans or current activities that the groups are involved in; or
- businesses or organizations that wish to apprise Committee members of projects or initiatives that will not require a Council decision.

Examples of presentations that Public cannot be accepted by the Committee include:

- the subject matter of the presentation is related to an active application from the presenter or the presenter intends to submit an application within six months of the presentation date;
- the subject matter of the presentation is outside of the authority or jurisdiction of Rocky View County;
- the subject matter of the presentation is more appropriate for a different committee, board, commission, or other body; or
- individuals or groups wishing to provide technical, legal, or similar information when they possess no relevant qualifications or expertise.

Presentations are strictly limited to 20 minutes, but Committee members may ask questions afterwards.
