Overview of the topic and purpose of your presentation:

We are wanting to present to provide information about our Sanctuary, from the past, present, and goals for the future!

If a group, tell us about your group (mandate/membership, including a statement on why this matter should go before PPC)

Our mission is to provide rescued wolfdogs with a meaningful and fulfilled life, while offering experiential education to promote the well-being and understanding of wolfdogs within our domestic world. By cultivating authentic connections between our wolfdogs and people, our goal is to inspire an appreciation for wolves in the wild and reconnection to our natural world.  
We are the sole wolfdog sanctuary in all of Canada, and are located right here in Rocky View County. We are an anchor tourist destination for our area and see visitors both local, as well as international, all of which benefits our local economy.

The members of the Public Presentation Committee are County Councillors, but the meetings are not Council meetings, and Council decisions are not made.

Meetings are held to receive information and share your vision with the Committee and not to ask for advice on what should be done on a specific property.

If you would like to bring a matter to the Committee's attention, that does not require a decision of Council, you can apply to make a presentation to the Committee.

Examples of presentations that the Public can present to the Committee include:

- Developers and/or landowners can submit their vision for a future project that will not require a Council decision;
- not-for-profit organizations about their work in the community, or about recognition for special volunteers;
- post-secondary institutions or research groups about studies or surveys that might interest the County;
- resident or community groups about future plans or current activities that the groups are involved in; or
- businesses or organizations that wish to apprise Committee members of projects or initiatives that will not require a Council decision.

Examples of presentations that Public cannot be accepted by the Committee include:

- the subject matter of the presentation is related to an active application from the presenter or the presenter intends to submit an application within six months of the presentation date;
- the subject matter of the presentation is outside of the authority or jurisdiction of Rocky View County;
- the subject matter of the presentation is more appropriate for a different committee, board, commission, or other body; or
- individuals or groups wishing to provide technical, legal, or similar information when they possess no relevant qualifications or expertise.

Presentations are strictly limited to 20 minutes, but Committee members may ask questions afterwards.

#### How to Submit a Presentation Request
