### REPORT SUMMARY

---

Ani Chopra, Manager of Project Development and Customer Service will provide a presentation on Data Center Project – Wild Rose Power Hub.

### ADMINISTRATION'S RECOMMENDATION

---

THAT the Public Presentation Committee receive the Data Center Project – Wild Rose Power Hub presentation for information.

### BACKGROUND

---

The Public Presentation Committee provides a forum for members of the public and stakeholder groups to present information and updates to the County to ensure the County understands the needs and concerns of its communities. One of the Committee's functions is to hear presentations from organizations, groups, or individuals such as Ani Chopra, Manager of Project Development and Customer Service.

### DISCUSSION

---

The purpose of the presentation is to introduce to Rocky View County Council, administration, and residents a potential data center project roughly 5 km west of the Town of Langdon. The data center is proposed to be in the gigawatt scale and will be located directly south of the existing electrical substations. This project will require rezoning of the current land use. The project proponents will use the presentation to highlight their plans and invite comments from the County on its development.
