REPORT SUMMARY

The Provincial Agricultural Service Board (ASB) Committee has provided ASB members and staff with the Resolution Response Grading on government and non-government responses to the 2025 Provincial ASB Resolutions.

ADMINISTRATION'S RECOMMENDATION

THAT the Agricultural Service Board receives the Resolution Response Grading report for information.

BACKGROUND

At the annual Provincial Agricultural Service Board Conference resolutions are presented and voted on by Agricultural Service Boards (ASBs). The resolutions that are passed at the conference are then sent to the appropriate government and/or non-government agencies for review. After they have been reviewed, they are sent back to the Provincial ASB Committee for grading and further review by municipal ASB's.

DISCUSSION

The 2025 Resolution Response Grading package is attached for review. The resolution grading has the Whereas and Therefore Be it Resolved sections, response, response grade, and comments from the ASB Committee for each resolution that was passed at the 2025 ASB Provincial Conference. There are four (4) grades that can be assigned to a resolution response:

- Accept the Response.
- Accept in Principle.
- Incomplete, and
- Unsatisfactory

The quality of the response determines the grade that is assigned to each resolution. This report also summarizes actions undertaken by the Provincial ASB Committee on current and previous resolutions. The grades assigned by the Committee are intended to provide further direction on advocacy efforts for each resolution.

ALTERNATE DIRECTION

Administration has no alternate direction for the Board's consideration.
