Hi,

My name is [REDACTED] and I'm the [REDACTED]. We own the property at [REDACTED] (tax roll - 06507011).

Due to a misplacement of the 2020 Property tax notice and our assumption that tax is covered by the mortgage company, we did not pay the Property tax in time this year. My team was newly elected this year and this was an error on our part. However, we have never missed a property tax payment in the past.

I'm requesting the Rocky View County Tax Administration to please consider the tough situation that all charities including ours are in this year and consider waiving the 12% late payment penalty for 2020 Property Tax payment. To prevent this mistake in the future, we will promptly sign up for the TIPP plan.

Thank you for your consideration.
