Dear Sirs:

Re: Tax Account 04319163 NE19-24-28-4 Unit 158 03110076

It seems I've had a problem with my bank once again completing the transfer of the amount due on the date I had it set up for prior to June 30, but when I checked on July 1 here it had not gone through. I quickly resent it and it was transferred on July 3, 2021.

I now come humbly, hat in hand, to ask your forgiveness of the 12% penalty in the amount of \$232.91. I believe it would be nice to have 3 or 4 days grace in situations like this.

Thanks for your consideration.

I remain

Yours truly,
