
RECREATION, PARKS AND COMMUNITY SUPPORT

TO: Recreation Governance Committee
DATE: December 8, 2021 **DIVISION:** 2
FILE: N/A **APPLICATION:** N/A
SUBJECT: Late Submission Request – Cochrane Track & Field Association

POLICY DIRECTION:

As per Policy C-317, applications received after the deadline of October 1 can only be considered with the Committee's approval.

EXECUTIVE SUMMARY:

Cochrane Track & Field Association is submitting a late application to be considered by the Committee. The original application was received prior to the deadline date of October 1; however, the Association withdrew their application stating that their \$1.2 million private donor withdrew their funding. After discussion with the Mayors of Cochrane and Rocky View County, the Association requests that the Committee reconsider their application at the December 8, 2021, meeting.

ADMINISTRATION RECOMMENDATION:

Administration recommends that the Cochrane Track & Field Association application be accepted as late and be permitted to present, in accordance with Option #1.

BACKGROUND:

At the Recreation Governance Committee meeting on June 2, 2021, the Committee made a motion that the capital funding request from the Cochrane Track & Field Association be refused, and that the applicant be invited to reapply in the fall pending funding commitments from the Town of Cochrane and Rocky View Schools.

Administration received the Association's application prior to the deadline date of October 1; however, the Association withdrew their application stating their \$1.2 million private donation had been withdrawn. After discussion with the Mayor of Cochrane and the County, the Association requested the Committee reconsider their application at the December 8, 2021 meeting.

As this is considered a late submission, formal approval to receive the application and permit the Association to present is required by RGC.

BUDGET IMPLICATIONS:

There are no budget implications associated with this request to accept the late submission and present to the Committee.
