Dear Manager:

**Re: RockyView County Property Tax payment - [REDACTED]**

**Roll # 05618468,**

I'm writing this letter to request waive the penalties levied on my property, [REDACTED]

Due to the reason that the property tax assessment had been mailed to the incorrect address, we have never received your mail until Jan 21, 2022. We've updated our address at land title two years ago, however, we are very surprised that our mailing address hasn't been corrected.

I've ALWAYS paid all my property taxes on time for over 35 years here in Calgary and also initially at our bearspaw property, which you can verify this and truly never received this statement once, until it was sent to our home address last week for 1<sup>st</sup> time.

I would appreciate it very much if you can consider my situation and cancel the penalties on my property.

If you have any question or concerns, feel free to contact the undersigned via email:

[REDACTED]

Best Regards,

[REDACTED]
