

## ATTACHMENT 'A': APPLICATION INFORMATION

<b>APPLICANT:</b> Konschuk Consulting (Larry Konschuk)	<b>OWNERS:</b> Luigi Ammirati
<b>DATE APPLICATION RECEIVED:</b> March 5, 2021	<b>DATE DEEMED COMPLETE:</b> March 5, 2021
<b>GROSS AREA:</b> ± 8.46 hectares (± 20.91 acres)	<b>LEGAL DESCRIPTION:</b> Lot 2, Block 6, Plan 1011012 within SW-05-27-04-W5M
<b>SOILS (C.L.I. from A.R.C.):</b> The majority of soils have severe limitations due to temperature, with some soils noting infeasible production of cereal crops due to excessive wetness/poor drainage, very severe limitations due to temperature, and shallowness to bedrock.	
<b>HISTORY:</b>  <b>March 11, 2010:</b> Subject lands registered at land titles as part of three lot subdivision.	
<b>PUBLIC &amp; AGENCY SUBMISSIONS:</b>  The application was circulated to 27 adjacent landowners. Eight letters were received in opposition from five landowners (three landowners submitted two letters each), and the landowner provided a petition with eight in support. Note: these responses were received with regard to the application and the February 22, 2022, public hearing. Seven responses were received with reference to the second public hearing on April 26, 2022. The responses have been included in Attachment 'F.'  The application was also circulated to a number of internal and external agencies, as depicted in Attachment 'B'; relevant comments are addressed within 'Additional Considerations' above.
