TITLE: To Review Live / Work and Explore Additional Home-Based Business Options

WHEREAS It is becoming increasingly evident that there is confusion around the intent and implementation of the Live / Work land use;

AND WHEREAS This confusion indicates that the scope of the current Live / Work framework needs to be reviewed;

AND WHEREAS To clarify the original intent of the Live / Work land use designation, it would be useful to reassess how the existing provisions are applied;

AND WHEREAS Many Live / Work applications, as well as other applications throughout the County, could be covered under a new Home-Based Business development permit for expanded uses beyond those in the existing Home-Based Business Type 1 and 2 development permits.

THEREFORE BE IT RESOLVED THAT Administration be directed to bring back the Live / Work land use for Council review along with an assessment of the advantages and disadvantages of introducing one or more new Home-Based Business development permit options e.g., Home-Based Business 3, no later than July 26, 2022.
