Subject: Application Number: PL20210198

Thank you for the communication we received concerning the application to re-designate land located directly across the road from the quarter we own - SW4, 27,28,W4.

We have no objections to the proposal and would support its going forward in a timely manner in accordance with standards set by Rocky View County.

I/we are not opposed to the redesignation of NE-31-26-28-W04M Ag-Gen District
to create an Agricultural, Small Parcel District.
