**Re: Letter of Support for the Langdon Library Society  
Community Facility Enhancement Program (CFEP) Small Funding Stream Application**

The Langdon Library Society is a non-profit organization established in 2021 with the purpose of creating a library branch in the hamlet of Langdon, Rocky View County, Alberta. This letter is to support the Society's CFEP application for funding to assist with capital infrastructure related with this initiative.

The proposed project will support a temporary library and multi-purpose youth and community space until a permanent library can be constructed as part of the Langdon Recreation Centre. The recreation centre identified for Langdon is a recommendation contained within Rocky View County's 2021 Recreation and Parks Master Plan. Once the recreation centre is completed, the modular building housing the youth centre and library would thereafter continue to function long-term as a multi-purpose space for the community.

Though this does not bind the municipality in providing any additional funding to complete the library project, Rocky View County Council and Administration wish the Langdon Library Society every success in their efforts to secure funding for this project.

Please contact Dimitri Dimopoulos with Recreation, Parks and Community Support at 403-520-1289 or ddimopoulos@rockyview.ca should you have any questions.

Sincerely,

Brock Beach  
A/Executive Director, Community Development Services
