SUBJECT: Presentation by RCMP Detachment Commanders

DIVISION: All
APPLICATION: N/A

EXECUTIVE SUMMARY:

Rocky View County is policed by the Royal Canadian Mounted Police (RCMP) from detachments based out of Airdrie, Cochrane, and Strathmore. Staff Sergeant Switzer (Airdrie), Staff Sergeant Fournier (Cochrane) and Staff Sergeant Wielgosz (Strathmore) are in attendance to present to Council regarding their respective detachments.

ADMINISTRATION RECOMMENDATION:

Administration recommends the presentations from the Airdrie, Cochrane and Strathmore RCMP Detachment Commanders be received as information in accordance with Option #1.

BACKGROUND:

The County is policed under two different policing contracts:

- 1) A Provincial Police Service Agreement (PPSA); and
- 2) A Municipal Police Service Agreement (MPSA).

The PPSA is an agreement between the Province and Canada for policing and the costs of this policing contract are shared with municipalities. In 2020, the cost sharing for the County was 10%, increasing to 30% in 2024.

The MPSA is an agreement with the County and Canada for policing in Langdon and is a requirement under the *Alberta Police Act* as the hamlet population has met, and exceeded, the threshold population of 5,000. The cost sharing for the MPSA is 70% paid by the County and 30% paid by Canada.

The PPSA covers all Rocky View County except for Langdon, which is policed under a MPSA.

BUDGET IMPLICATIONS:

There are no budget implications.

STRATEGIC OBJECTIVES:

This item supports Council's strategic objective of Community Service Delivery.

OPTIONS:
