Hello Council

My name is [REDACTED], we bought this property [REDACTED] in August last year. My property tax roll is 05631050. I just received my property tax bill with 12% penalty added to my bill. I never received the initial bill stating my bill or deadline. This is my first time dealing with Rockyview. I just paid my bill in full as advised when I called in at Rockyview tax department. I am just writing if you can help me reimburse the penalty.

Thank you in advance for your help
