To Whom It May Concern.

Please understand that I am very sorry that I was late paying our property taxes this year. I have no one to blame except myself. I am not a person who takes my responsibilities lightly and am deeply ashamed of my oversight. The end of June was a physically and emotionally challenging time for me. I have recently lost both my parents; my mom in 2019 and my dad in 2021. On July 3 we held a Celebration of Life in their honour. I was the primary organizer of that event and spent the last two weeks of June preparing the slideshow. When we left for BC at the end of June I failed to take my property tax statement with me and completely forgot about it. One July 5 the realization hit me. I immediately paid the bill in its entirety. I know it was my own mistake but I respectfully ask the Council for a reduction in the \$650 bill I received. I can assure you that this will never happen again and that I will endeavour to pay my taxes early every year going forward.

Sincerely,
