Regarding Property Tax Account

My name is [REDACTED] Writing in regards to the Tax Account letter received on Aug 2. This letter was posted to me on July 25, 2022. Copy of the letter is attached along. Tax Roll# 03331043.

I am the new owner of the property located at [REDACTED]
[REDACTED] This is the only letter received from Rocky View Office regarding tax & it shows the penalty of 12%. I humbly request to reverse this penalty as this is the first letter received to bring it to my attention about property tax and I am acting on this as soon as I received the letter. As confirmed by Rocky View Office Representative over the phone call on Aug 3, the original amount of tax for 2022 is \$31272.49. I will be dropping cheque of this full amount today, which is Aug 4 at Rocky View office.

I am requesting your kind consideration in this matter as per the situation and to reverse the penalty on this account.

Thank you & kindly,

[REDACTED]
