Hello,

I hope you have had a good day.

I am writing to you regarding tax property for [REDACTED] (1810813)

I have paid \$1387.13 and \$733.06 on June 30 from my online account and receipt is attached. You have received these two payments on July 4, because it was a long weekend.

I have received a letter from you on July 25, that a 12% penalty has been applied for the late payments.

I have talked to one of the representatives and they said that I need to pay the penalty and then email you to explain the situation in order to fix this issue. I have paid the penalty (\$166.46 and \$87.97) and a receipt is attached.

Please review my tax account in order to either refund or give me a credit for the next year.

Let me know if you have any questions.

Thank you,
[REDACTED]
