

To whom it may concern,
I have paid municipal taxes for 45 years.
I did not receive a notice informing me
how much I should pay; only the
2022 Property Assessment Notice sent out
Jan 28th 2022.

Therefore I did not know how
much to pay - I object to this egregious
12% extra, which apparantly is added
even though the notice - which may well
have been mailed out was not received.

I do not think it is possible to pay a bill
'if you do not receive it' -

Canada Post - God bless them - are not perfect,
There is no way to prove I did not receive this
bill, nevertheless I must pay extra - I am
strongly recommending that you phone instead
of mailing the bill next year - if I am still alive.
I cannot even be certain you will receive this
cheque - as I am also sending it by Canada Post.
I choose not to use computer or cell phone, so it may
seem annoying to have to phone people - I do have an
answering machine on my phone,

love and prayers

P.S. I had a nice chat with Adrienne. She is a nice lady x
