RE: Overdue Property Tax Penalty

<b>Tax Roll</b>	<b>Legal Description</b>	<b>Lot Block-Plan</b>	<b>Penalty Fee</b>
06710019			\$1,008.52

Dear Councillors;

I received my property tax assessment and paid it the week I received it, which was July 20, 2022.

Canada Post had changed our mailing address and it was not recorded at Rocky View County; thus the delivery of the invoice was late as my mail was redirected.

Considering this and my perfect record of paying my property taxes since 2003 I would request that this rather large penalty be waived. The intent of fines is to change behavior not to punish residents for late delivery of the mail with the incorrect mailing address.

My address has subsequently been correctly updated in the Rocky View system.

I appreciate your assistance in this matter.

Sincerely,
