

ATTACHMENT C: APPLICATION REFERRAL RESPONSES

AGENCY	COMMENTS
<i>School Authority</i>	
Calgary Catholic School District	After review, the Calgary Catholic School District does not have any questions or concerns regarding the referenced circulation (PL20230065).
<i>Province of Alberta</i>	
Alberta Environment	Thank you for referring Subdivision Application PL20230065 to the Lands Division for comments. I have reviewed the proposal and have noted that Coalbed Creek may be impacted by the proposed subdivision and resulting development. It is recommended that the Creek be protected with an Environmental Reserve to maintain water quality and riparian vegetation.
Alberta Health Services	No concerns.
<i>Public Utility</i>	
ATCO Gas	No objections.
ATCO Transmission	No objections.
FortisAlberta	We have reviewed the plan and determined that no easement is required by FortisAlberta.
Telus Communications	No objections.
Cochrane Lake Gas Co-Op	No concerns.
<i>Internal Departments</i>	
Recreation, Parks and Community Support	No comments received.
Building Services	No Concerns or comments on split the 40 acre property.
Enforcement Services	No previous history and no concerns from Enforcement Services at this stage.

Capital and Engineering Services	<p data-bbox="464 180 581 210">General:</p> <ul data-bbox="521 233 1479 296" style="list-style-type: none"> As per the application, the applicant is proposing to create a ± 8.09 hectare (20.0 acre) parcel with a ± 8.09 hectare (20.0 acre) remainder. <p data-bbox="464 317 656 346">Geotechnical:</p> <ul data-bbox="513 369 1487 537" style="list-style-type: none"> There are slopes of 15% or greater onsite. Should the proposed future dwelling be located within the steep slope area, the applicant will be required to submit a slope stability assessment conducted by a qualified professional geotechnical engineer. Engineering has no requirements at this time. <p data-bbox="464 558 678 588">Transportation:</p> <ul data-bbox="521 611 1487 1209" style="list-style-type: none"> Access to the remainder parcel (Lot 1) is provided off Grand Valley Road. The application proposes access to Lot 2 through the remainder (Lot 1) via the existing driveway which crosses Jumping Pound creek on site. Physical access directly to Lot 2 is constrained by the creek and would require an appropriate crossing as approved by Alberta Environment and Parks. An access easement would be required to be registered at the subdivision stage over Lot 1 for the benefit of Lot 2. As a condition of subdivision The Owner shall upgrade the existing approach to a mutual paved standard in accordance with the County Servicing Standards. In addition, the Owner shall also: <ul data-bbox="578 1010 1487 1209" style="list-style-type: none"> Contact County Road Operations for a pre-construction inspection and a post-construction inspection for final acceptance; Provide an access right of way plan; and Prepare and register respective easements on each title, where required. <p data-bbox="464 1230 773 1260">Sanitary/Waste Water:</p> <ul data-bbox="513 1283 1487 1692" style="list-style-type: none"> As per the application, the remainder Lot 1 with the existing dwelling is serviced by a septic system. The applicant provided a Site Plan to confirm that the private sewage treatment system is located within the boundaries of the remainder lot (Lot 1), in accordance with the Alberta Private Sewage Systems Standard of Practice 2009. The applicant submitted a Level 2 PSTS Assessment for the Lot 2, prepared by Arletta Water Resources, dated September 2023. The assessment recommended that the site is suitable for a mounded treatment field utilizing secondary or greater treated effluent, and the septic field should be located near TH-1 on blocky clay loam soils. <p data-bbox="464 1755 894 1785">Water Supply and Waterworks:</p> <ul data-bbox="521 1808 1487 1913" style="list-style-type: none"> As per the application, the remainder Lot 1 is serviced by a water well. The applicant provided a Site Plan to confirm that the water well is located within the boundaries of the remainder lot (Lot 1), in
